

REMARKS

Claims 1-29 were presented for examination and were pending in this application. In the latest Office Action, claims 1-7, 9, 12, 14, 19-22, and 24-28 were rejected, and claims 8, 10, 11, 13, 15-18, 23, and 29 were allowed. With this amendment, claims 1, 10, 11, 15, 19, and 25 are amended, and claims 7-9, 22, 23, 28, and 29 are canceled.

Claims 8, 10, 11, 13, 15-18, 23, and 29 were objected to as depending from a rejected base claim but otherwise containing allowable subject matter. In response, each of the independent claims have been rewritten to include the limitations from one of the objected to claims, including all limitations from any intervening claims. In addition, objected to claims 15 and 10 have been rewritten in independent form, including all limitations from any intervening claims. Accordingly, the claims now recite subject matter indicated to be allowable in the previous Office Action.

Based on the foregoing, the application is in condition for allowance of all claims, and a Notice of Allowance is respectfully requested. If the examiner believes for any reason direct contact would help advance the prosecution of this case to allowance, the examiner is encouraged to telephone the undersigned at the number given below.

Respectfully submitted,
PETER SZOR AND WILLIAM E. SOBEL

Dated: September 26, 2007
